

Kinder Kids News 1/9/12

Theme 4.2

Reading

This week we will be reading *The Secret Code*. We will be working with the short /e/ sound and working on /s/ clusters. Our comprehension skill this week is compare and contrast.

Reminder: Six Flags read for 600 min. is due on Feb. 24. Keep up all the reading

This week your child needs to:
Study spelling words
Study WWW
And read AR or any book nightly.

Math

We will introducing how to use a calendar and elapsed time.

Sci/SS

We will be studying temperature and Martin Luther King

AR

Parents, please make sure you are reading an AR book with your child nightly. Students are required to read the AR test on their own. So it is very important that they practice the book. We use the five finger rule. If they don't know five words on the page the book is possibly too hard at this point.
