

Kessinger/Conkling Chronicles

RMS 458-0120
Mrs. Kessinger ~ ext. 12206
Mrs. Conkling ~ext. 12204

February 6, 2012

This Week

in the Classroom...

Social - We will begin chapter 8. We will be studying the reasons that caused the American Revolution.

English- We will be learning about regular and irregular verbs. Test on Friday.

Spelling- We are working on review unit 18 this week.

Reading- We are beginning lesson 13 which is a narrative non-fiction story about Molly Pitcher. Our skills will be making conclusions and generalizations and using the thesaurus. Test will be on Friday.

Science- We are beginning our unit on simple machines with a focus on force & motion. By the end of the week, we will begin building our first machine (lever) with Legos!

Math- We will continue our study of geometry. This week we will focus on angles, symmetry, and translations.

Attention

Morning Drop-Off

Dear Parents,
We have been experiencing a heavy amount of traffic in our front parking lot. We have several students and teachers that walk into school using this access. Because it is a safety concern, we are asking parents to please use the car circle to drop off students. If your student requires special accommodations, please contact the principal's office.
Thank you,
Mrs. Davis
Principal

Attention:

We will have a Valentine's Day party on Tuesday, February 14. If your child wishes to bring in Valentines, they will need to bring them in for each student. (Find a class list on the back of this sheet.) We will provide them with bags. Do not send them with Valentine boxes.
