

# February Book Report

*Example:*

Your book report this month is to create a puzzle. After reading a book, you will choose one part of the story to illustrate. The illustration must cover the entire page, leaving no white space. On the top of the drawing you should include the title and author. Then after drawing the picture cut the picture into pieces. Put all the puzzle pieces together. The students will trade and assemble each other's puzzles. Please bring in the book to share also! **(See Ms. Watson for the paper to use)**

Your book report is due: **February 29th**
